

DRAIN-THROUGH MATTING

The lowest cost accident prevention, anti-fatigue solution for all wet and slippery areas.

Diamond Deluxe™

HP

CONSTRUCTION:

- Vinyl loop mat embossed with a distinctive diamond pattern. Available with or without a foam backing.
- Colour availability: solid red, blue, gray and brown or gray with yellow borders for additional safety.

FEATURES AND BENEFITS:

- A multi-functional vinyl loop mat providing good anti-fatigue benefits and easy maintenance.
- Suitable for most commercial, recreational and industrial applications.
- The diamond surface adds to foot traction and reduces slipping.
- Durable vinyl loop configuration offers strong wear resistance.
- Diamond Deluxe unbacked matting gives exceptional performance in wet areas, especially in showers or around swimming pools.
- This superior mat is offered in three different grades; light duty, medium duty and heavy duty to meet most requirements.
- Yellow bordered matting is treated to resist petroleum, chlorinated water, hydrochloric acid, sea water and exhibits improved chemical resistance.
